Phytosanitary Certificate

Dear Dr. Dankvert,

I am writing to you in my function as Chief Officer of the Austrian Plant Health Service and Austrian IPPC Contact Point.

This is to inform you about a new edition of our Phytosanitary Certificate and Phytosanitary Certificate for Re-Export.

There was a typing error in the previous version of our model, which is corrected in the new edition. I enclose the new models of the Phytosanitary Certificate and the Phytosanitary Certificate for Re-Export for your information. Original specimens of the new models will be sent to your services by letter mail today and they are already posted on the IPPC website.

Let me kindly request that you inform your border inspection posts accordingly about the new model certificates.

Your kind co-operation is highly appreciated.
