

To all IPPC member countries

Dear sir/ Madam

From Ethiopia NPPO

Official announcement of minor changes on Phytosanitary Certificate

It is to inform you all that there is minor modification on the Phytosanitary Certificate that has been released from NPPO of Ethiopia.

The variation lies mainly on the heading of the PC due to the restructuring of the ministry.

Both the old and the new versions are attached herewith for you reference.

The old version will stay until July 31/2018 and the new version will be applicable from July 08/2018 and onwards. i.e. Both versions may be released and be legal document from July 8-31/2018.

The other change attributed to the stamp. The texts on the stamp are changed to address the new ministerial name. Written in English and Amharic on the stamp

The shape, size and texts on all the stamps are the same but have different code to indicate the port of inspection.

Port of inspection	code	Text/ English version
Head office	1	Ministry of Agriculture and Livestock Resources Plant Health and Products Quality control Directorate
Bole International Air Port	2	Ministry of Agriculture and Livestock Resources Plant Health and Products Quality control Directorate
Dire Dawa	3	Ministry of Agriculture and Livestock Resources Plant Health and Products Quality control Directorate
Nazareth/ Adama	4	Ministry of Agriculture and Livestock Resources Plant Health and Products Quality control Directorate
Humera	5	Ministry of Agriculture and Livestock Resources Plant Health and Products Quality control Directorate
Metema	6	Ministry of Agriculture and Livestock Resources Plant Health and Products Quality control Directorate
Moyale	7	Ministry of Agriculture and Livestock Resources Plant Health and Products Quality control Directorate
Gonder	8	Ministry of Agriculture and Livestock Resources Plant Health and Products Quality control Directorate
Kaliti (only for Coffee)	9	Ministry of Agriculture and Livestock Resources Plant Health and Products Quality control Directorate
Bahirdar	10	Ministry of Agriculture and Livestock Resources Plant Health and Products Quality control Directorate

Best regards

Weldemariam Asefa
Director General, Plant Health Regulatory
Directorate-General
